WINDSOR

RENEWABLE ENERGY

...to Final Operation...

All risks cover includes cover for risks such as fire, lightning, malicious damage, storm, theft, accidental damage, subsidence, electrical and mechanical breakdown for all wind farm equipment.

Reinstatement cover with generous inflation provision. Loss of gross revenue including an inflation provision.

Extensions are available to cover failure of power to the site, of supply to customers and of supply to customers where their premises are damaged.

CLAIMS SERVICE

The Company is committed to a claims service of the highest standard in respect of all our clients' needs. We recognise the importance of a personal claims handling service in order to meet the ever changing and diverse nature of our clients requirements.

It is the proper and efficient handling of a potential claim circumstance which really differentiates the service provided by Insurance brokers.

Liabilities

Extensive experience placing Employers', Public, Products and Specialist Pollution cover. Including Contingency cover to pick up the activities of subcontractors.

Extensions

Marine impact where equipment is offshore. Offshore risks - tidal wave, anchor drag and waterborne war risks.

Electrical and mechanical breakdown risks where the manufacturers' warranty has expired.

Additional contracts are available such as:

- Contract legal expenses
- Contract bonds
- Reinstatement Bonds
- Wind and Wave Derivatives

Delivering Excellent Service

Windsor services more than 130 domestic and international Renewable Energy companies including manufacturers, developers, contractors and operators.

In addition to the core renewable energy solutions mentioned, Windsor's risk specialists provide these companies with risk solutions for their other exposures including:

- Professional Indemnity
- Directors and Officers Liability
- Employers', Public & Products Liability
- Intellectual Property Rights
- Business property
- Personal Accident and Sickness
- Business Travel
- Motor Fleet

Windsor Partners Ltd

Windsor Partners Ltd is part of the Windsor group which can trace its origins back to 1933. The company has established itself as a unique, niche, independent Lloyd's accredited Insurance broker, which offers a range of both retail and wholesale insurance services.

Servicing our clients from seven locations; four in the UK, one in Germany, one in Canada and one in Guernsey, we have over 200 employees and are regulated by the Financial Services Authority.
