

WINDSOR

CORPORATE RISKS DIVISION

Our Corporate Risks Division brings together the collective resources of all parts of the Windsor Group into a single offering for our corporate customers. We operate across all business sectors in the UK and worldwide.

What to expect from your insurance advisor

Companies and organisations should expect their insurance advisors to have a thorough understanding of their business and sector risks, thereby ensuring your insurance programme perfectly meets your changing requirements. You should expect: Professionally qualified insurance specialists who design and service your programme, a track record in your sector with similar clients both large and small, innovative and adaptable risk solutions providing improved cover and responsiveness to your changing needs.

Experts in Insurance Programme Design

By being able to call on all our teams of experts we can create and deliver the very best insurance solutions available from the London and international insurance markets.

- Risk evaluation reports and reviews
- Risk transfer and risk retention analysis
- Captive insurance feasibility studies
- Insurance product design.

Delivering Excellent Service

Windsor Corporate Risks services a diverse range of UK and international Corporate clients with a premium volume in excess of £65M. Our team of professionals deliver excellent advice and service and is known for its expertise in programme design and new product innovation. The Windsor Corporate risks team are trusted by a wide range of domestic and international companies including many household names. You can also rely on us to provide all the necessary insurance manuals and certificates, as well as manage captive insurance requirements.

CLAIMS SERVICE

The Company is committed to a claims service of the highest standard in respect of all our clients' needs.

We recognise the importance of a personal claims handling service in order to meet the ever changing and diverse nature of our clients requirements.

It is the proper and efficient handling of a potential claim circumstance which really differentiates the service provided by Insurance brokers.

With the expertise at our disposal we can design and manage claims reporting processes and claims settlement authorities as well as being able to provide our clients with analysis and review of loss statistics and claims costs.
