

# WINDSOR ENERGY

Windsor's team of specialists has a wealth of experience placing insurance cover for a huge range of liability risks.

#### **OIL & GAS AND RELATED INDUSTRIES**

We can provide all the necessary liability insurance cover, including schemes specifically designed for the offshore sector (UK and worldwide) and the Canadian onshore exploration and production industry. Insurance can be provided for oil and gas companies, consultants, contractors and all associated support industries.

#### **RENEWABLE ENERGY**

This is a specialist facility for all aspects of renewable energy contracting, maintenance and manufacturing, including wind, solar and geothermal energy as well as alternative fuel manufacture and recycling. It also includes property, marine and engineering.

#### **COMMERCIAL AND SPORT DIVING**

We place insurance for the British

Sub Aqua Club as well as the majority of UK sport diving clubs and shops, proving that our team has unrivalled expertise in all aspects of diving insurance, including the commercial diving field. With 18 years of experience in this field the depth of our knowledge and understanding ensures we are highly competitive.

#### **SKIING AND OUTDOOR LEISURE ACTIVITIES**

A comprehensive cover has been designed by Windsor and the Lloyd's market for the majority of Canadian ski operations, together with a huge range of outdoor summer and winter activity sports including rafting, mountain biking, heli-skiing and trekking.

#### **PORT AUTHORITIES, DOCKS AND MARINE ENGINEERS**

Port Authorities, docks, dock workers including stevedores and marine engineers are another speciality,

with a specifically designed combined liability cover, including ship repairer's liability.

#### **MANUFACTURING AND PRODUCT SUPPLY**

Windsor's Energy has built up close relationships with key Lloyd's markets, enabling us to offer wide coverage and competitive pricing for the food industry, pharmaceuticals, equipment and building products.

#### **MINING AND HEAVY INDUSTRY**

Expertise in this area is demonstrated by the provision of tailor-made liability coverage for the Canadian mining industry together with longstanding experience with heavy industry.

#### **GENERAL CONTRACTING AND CONSTRUCTION**

Close relationships exist between the Windsor's Energy and a number of Lloyd's markets writing general contracting business, including the Rural Contractors Scheme, Rail Contractors, Haulage and Construction.

#### **UNDERWATER/ OFFSHORE EQUIPMENT**

We are able to offer advice on placing All Risks insurance cover for marine equipment, including sub sea, ROVs, streamers, hydro hammers, heavy lifting equipment, diving equipment and renewable energy equipment/structures.

#### **FACULTATIVE REINSURANCE: LIABILITY**

Our strong relationships within the Lloyd's of London market place can provide an alternative solution to your local markets for your international facultative needs. By going direct into Lloyd's we can add our knowledge and professionalism whilst obtaining the expertise and financial strength that the Lloyd's Syndicates enjoy. We have reinsurance experience in the Asian, Australian and South American territories, obtaining high limits of indemnity and up to 100% capacity when required.

## CLAIMS SERVICE

The Company is committed to a claims service of the highest standard in respect of all our clients' needs.

We recognise the importance of a personal claims handling service in order to meet the ever changing and diverse nature of our clients requirements.

It is the proper and efficient handling of a potential claim circumstance which really differentiates the service provided by Insurance brokers.
