

WINDSOR

AVIATION DIVISION

We are a dedicated team with a wealth of experience in the industry spanning many years. Whether you operate airline equipment, an executive jet, an international airport or a general aviation airfield, we can provide the expert knowledge that you require.

Our team provides advice, innovative ideas and we have a reputation in the industry for creative solutions, integrity and overall quality of service. We have an extensive portfolio of facilities and markets available to us, which provide a rapid and efficient response for all types of aviation related enquiries. A number of our facilities are specifically designed for the General Aviation sector of the market. From the private aircraft owner to the commercial helicopter fleet we can provide a comprehensive package to meet all of your insurance needs at a competitive premium.

Risk Assessment

Our risk assessment audit involves a systematic and detailed investigation of the operator's risk exposure. Following a risk assessment it will enable us to highlight all the key risk areas of the operation and assess all the insurance options that are available

Our areas of specialisation include:

- Regional and fixed based operators.
- Executive jet owners and operators
- Helicopter fleets and individual helicopter owners
- General Aviation - The private operator and the flying club
- Airports and service providers
- Maintenance and engineering organisations.
- Employers Liability
